RE: Bradley Ayers  
Our File No: 7219

Dear Messers. Lane, Weisburg, and Lardner:

Our office has been retained by Bradley Ayers to pursue an inquiry concerning the JFK Center. This includes an investigation into the potential dissemination by the JFK Center of Bradley Ayers' investigation of David Sanchez Morales, and his potential involvement in the JFK assassination. I understand that you have an interest in the Oliver Stone production of JFK, and certain background information on the JFK assassination. I would appreciate the opportunity to speak with you on the same.

Please call upon receipt of this letter.

Very truly yours,

MASER, AMUNDSON & CRIST, P.A.
